JENNIFER HURT

TOWSON UNIVERSITY TOWSON, MD

Career goal: Entertainment law. **As a kid:** I ran around with all the boys. I learned to fight, cuss and ride before I learned to dance, cook or shop. **Now:** I'm a mix of my tomboy roots and my love of shopping and a good drink. Think blue jeans, diamonds and a martini. **The year's highlight:** It was my twenty-fifth birthday. It involved three cakes—the first one we ate, the second one I wore, the third one I stomped on. **Steam valve:** I relieve stress by pulling on my shit-kickers and hitting the maple dance floor at the local honky-tonk for some line-dancing.

Then: I was shy, quiet and polite. **Now:** I'm a party girl—I'll do anything or say anything to have fun! **Matchmakers:** If a girlfriend found a hot guy she'd just keep him for herself, so I definitely favor my guy friends to fix me up. **Nickname:** Legs. **Personal motto:** Feel the fear but do it anyway! I'm a sucker for: Takeout.

Bookworm or party animal? Both—I love to party and get crazy, but if it's the night before an exam you'll find me in glasses curled up on my couch behind a book. **Secret pleasure:** I like to put on lingerie and high heels and dance around in my room. **Special talent:** I can make really funny tapas. Also, as a former cheerleader I can do some dangerous midair stunts. **I wish I could:** Whistle. **I can't live without:** My dog Zoe. She's a five-pound Maltese and she goes everywhere with me—even to class!

When I grow up: I want to work with people—I'm very personable and outgoing—but I'm not sure doing what. **Turn-ons:** Great cologne, a positive attitude and a nice butt. **Turn-offs:** Disrespect, control freaks, bad breath, poor manners. **Stupid guy stuff:** Why are they so obsessed with gadgets? **Stupid girl stuff:** Why are they so obsessed with shoes? **Dream date destination:** It would be pretty cool if a guy called up and asked to take me to Paris for a cup of coffee!

COED CONFESSIONS

TARYN TERRELL

My parents would be surprised: That I actually enjoy my time in the classroom! I was always such a party girl in high school they would never expect that I like going to class. Lampshade moment: I was at this great frat party and had a little too much to drink. I started performing cheerleader stunts in the middle of the bar and on the pool table. Unfortunately, I was wearing a skirt so everyone got a peek! Oh key: My iPod is very eclectic—everything from Britney Spears to Led Zeppelin.

BRITTANY FUCHS

Unexpected pleasure: What I didn't realize about campus life is that partying is a requirement! You can't register for it, but you have to attend to get full college credit! Bookworm or party animal? Both. I do try to get good grades, so sometimes I'll stay in to crack the books and get some serious studying done. But it doesn't take much to tear me away! Music to my ears: Right now I'm listening to Justin Timberlake. I love the song *Say Goodbye*—it always gets me ready for a night in the city. I also like Christina Aguilera's *Ain't No Other Man*. I'm just wondering when I'll find mine!

NIKOLE MARTZ

Ta-da moment: It took me a while, but I finally figured out why my roommate insisted on using the community shower at the same time I did—she had a crush on me! Turns out I had a crush on her, too. Well, experiments happen—and I don't mean in the chem lab. Classroom 101: On my first day of class I was running really late and hurriedly sat down to take notes. I sat through almost the entire class before I realized I was in the wrong room! It was a higher level course than the one I was supposed to be in. TGIF: I know the importance of studying and I spend a lot of time doing it, but when the weekend rolls around I close the books and party! I went to a crazy lingerie/boxer party where everyone was nearly naked. Body shots were the most requested drinks and we came up with some pretty creative ways to serve them!

NAKED TRUTH: INBOX

FROM: C.M. Champagne Wishes

I'm absolutely in love with Carlotta Champagne, the saucy brunette with the perky natural boobs. She is by far the hottest girl in your magazine!

FROM: T.K.H. Subject: Calendar Cuties

I was stunned by the College Girls calendar. I can't wait for March '07 to roll around so I can wake up to sexy Jennifer Hunt (right) on my wall looking over me throughout my day. Keep bringing us the best of the best.

FROM: Tony M. Subject: Addicted to Erika

Wow! I must have been a good boy this year because when I picked up NUDES I was speechless when I saw Erika Jordan. I must admit I put her picture on the wall by my bed—she is the ultimate vixen! I am hoping and begging to see more of her again—I'm addicted! Thank you for bringing Erika into my life!
